

IMAGERY

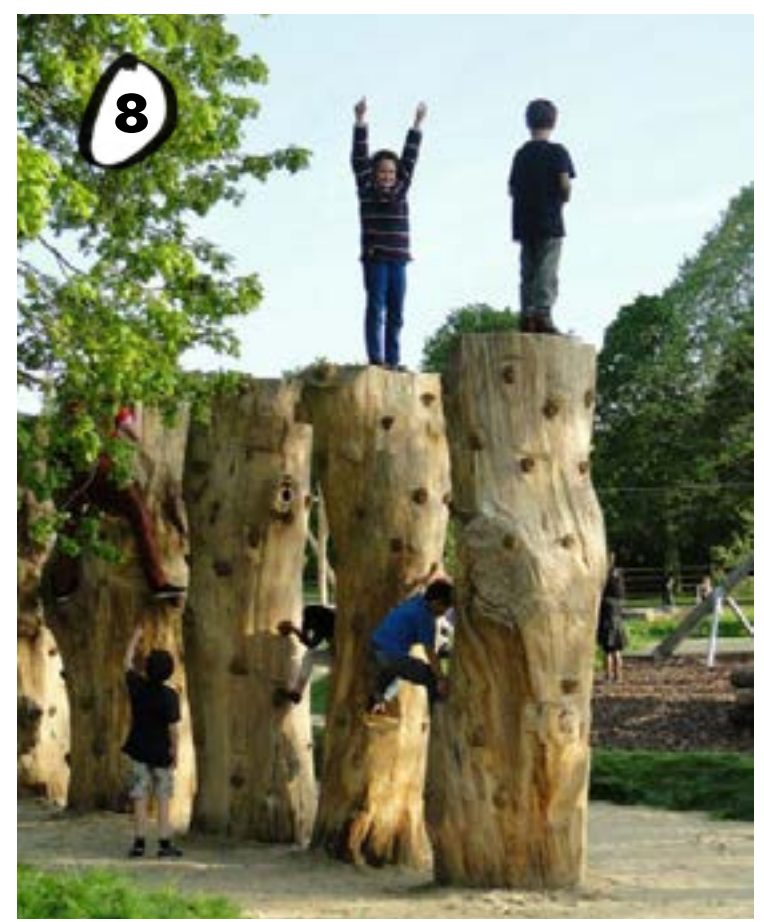

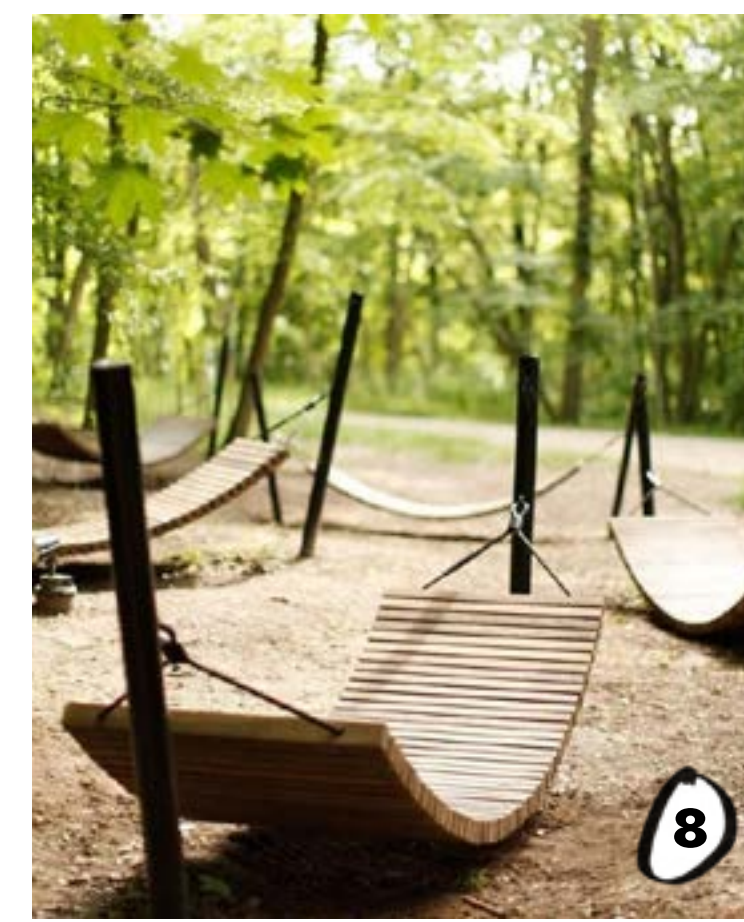

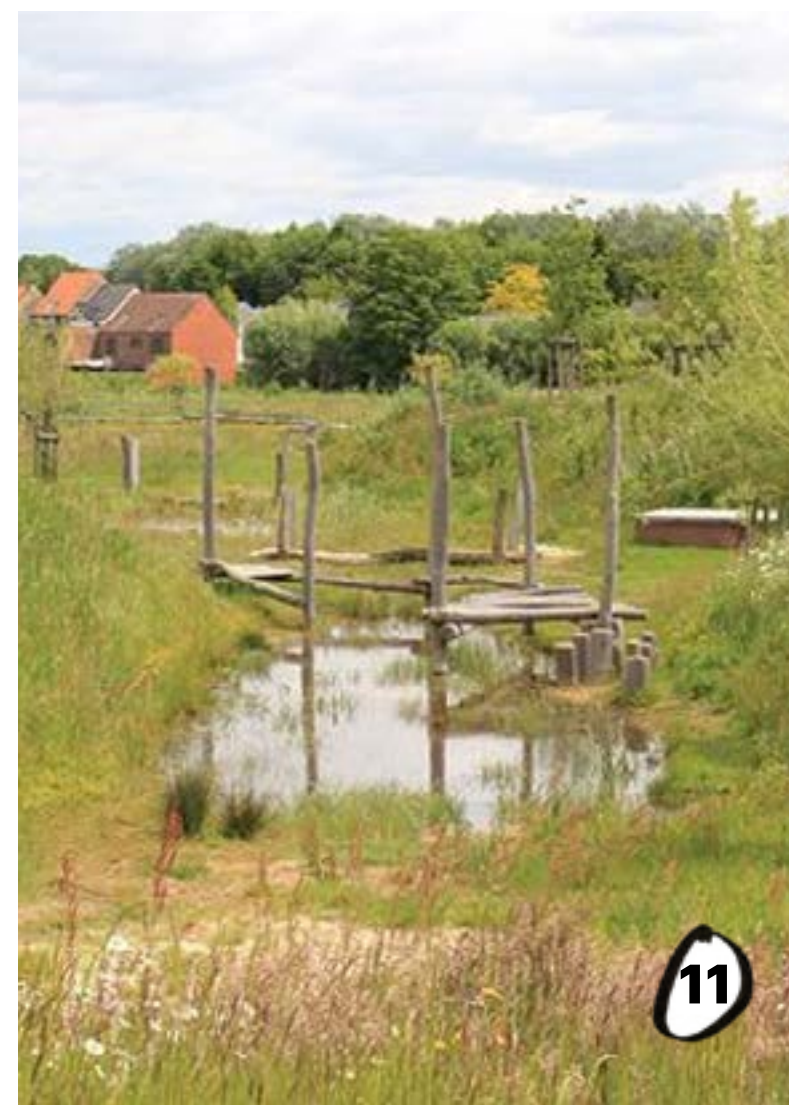

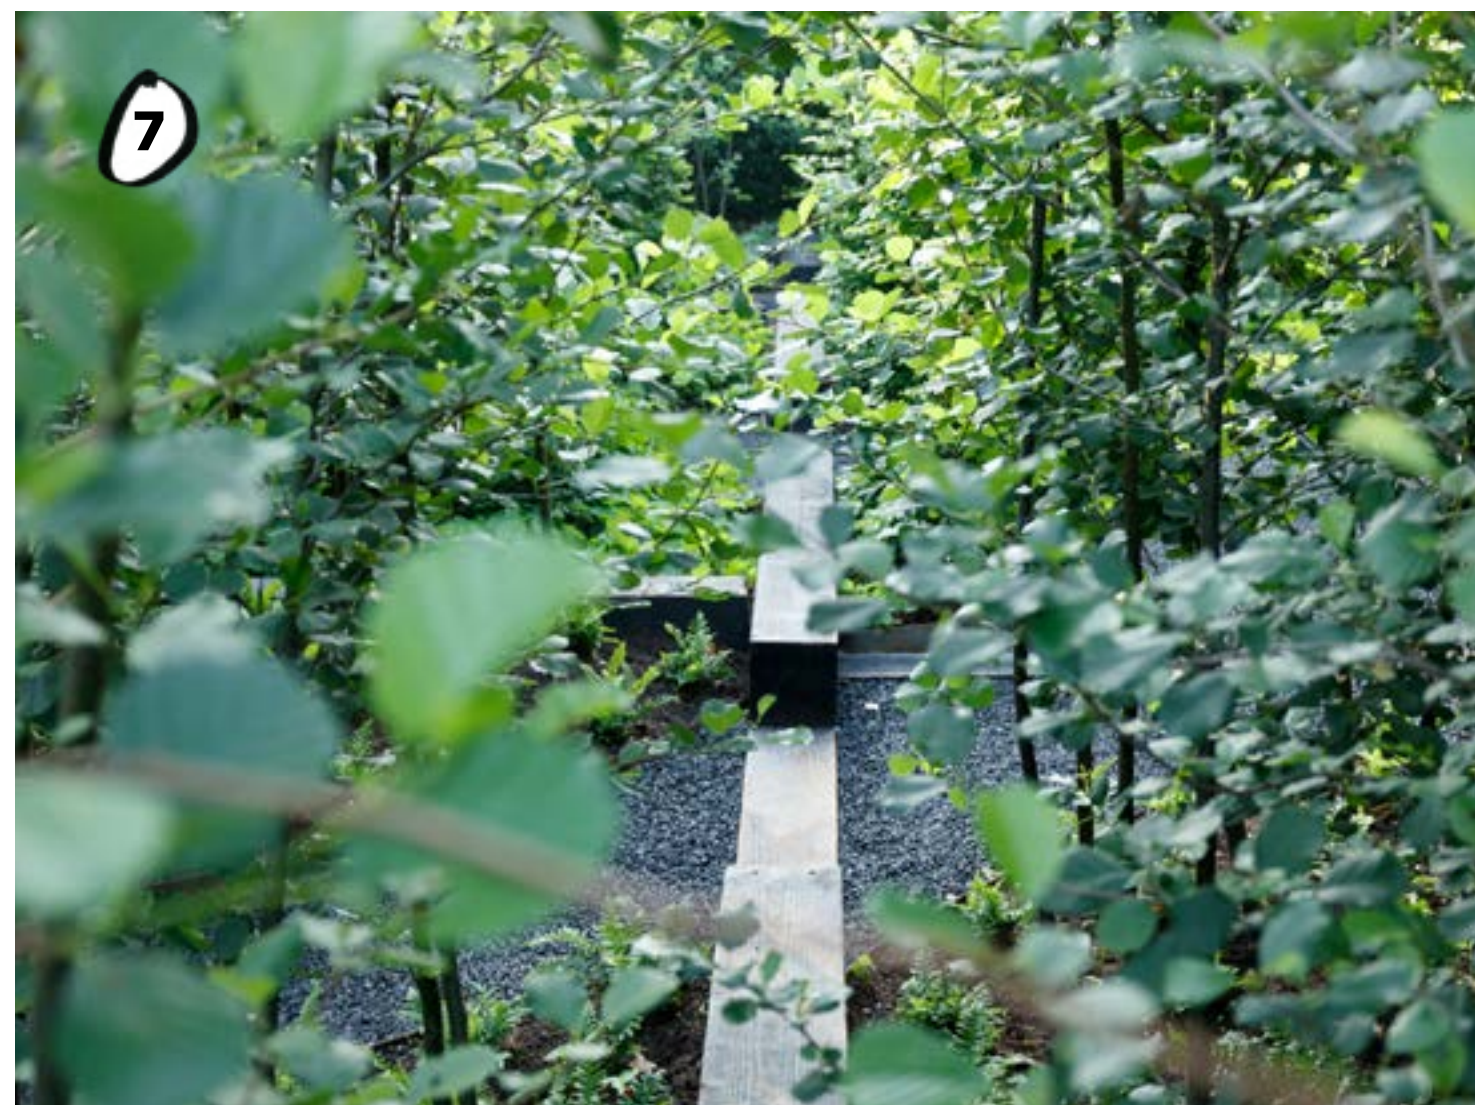

This board shows some ideas for the **look and feel** of how the future community space.

A place that puts **nature first**, using **local, natural materials** and **native planting** to create a welcoming, natural environment.

These images represent styles and features we think could work well - but **we want to hear what you think**.

Use the sticky dots to show which designs you like - and which you don't!

Your feedback will help shape how the space develops.

(images collected from various sources, please contact us for more information)

refer to the key on the Illustrative Sketch Plans (Boards 5 & 6) for location references related to the images shown
